Terms and Conditions

De-pasturing Stock

- The Thargomindah Town Common has been divided into two (2) paddocks to separate the horses from the cattle.
- If supplement is required for stock, this is to be supplied at the cost of the owner.
- The Rural Lands Officer (RLO) and the Community and Environmental Services Administration Officer must be notified when any stock is removed from the Thargomindah Town Common
- All gates on the Dividing fence are to be kept closed and locked at all times. The RLO is responsible for the keys and opening the gates during a muster.
- Any stock that comes onto the wrong side of the fence will be moved back to the correct paddock by the RLO.
- Any unregistered stock on the common will be impounded by the RLO or other Council Representatives as approved by the CEO.
- Should the stock owner no longer reside in Thargomindah then they are required to remove all stock from the common.
- All horses are to be removed within two (2) weeks of the owner leaving. The owner must notify Council prior to removing the stock.
- The Queensland Stock and Rural Crime Investigation Squad will be notified of all authorised musters.
- Maximum number of stock allowable on the Town Common can be reviewed by Council should a new owner application for agistment be received after maximum numbers are reached.
- The Community Services Manager be authorised to approve agistment of stock to the Thargomindah Town Common subject to consultation with the Mayor and one other Councillor, and in line with the current adopted policy.

Horse Paddock (Western Side)

- The Horse Paddock has a total area of 4,500 acres and is located on the western side of the Thargomindah Town Common.
- Council will allow a maximum number of 50 horses (suckling foals not included in total number until aged 6 months) to be de-pastured in the Thargomindah Town Common Horse Paddock.
- Council may from time to time, in line with seasonal conditions, reduce the maximum number of stock allowed to de-pasture on the common.
- Subject to the overall limit, residents of Thargomindah may de-pasture up to ten (10) horses per residence.
- Town Residents must apply to Council to de-pasture horses on the common. The application must be received and notice of decision given to the applicant prior to purchasing or de-pasture of stock.
- All de-pastured horses must be registered to the Thargomindah Town Common and their descriptions and a colour photo recorded.
- Entire male horses must be removed from the common when they reach the age of 9 months.
- A contracted horse muster will be carried out once a year. The Council rural lands officer (RLO) will engage the services of a professional contractor who will conduct the muster under the guidance of the RLO.
- Council will provide horse owners with three (3) days written notice of the date of the muster, permitting the owner to remove their horses prior to the muster and transfer them to their private residence or to the Rodeo Grounds for inspection.
- No unauthorized horse musters are permitted. An authorized muster is one coordinated and communicated by the Bulloo Shire Council as signed by the Chief Executive Officer.
- Should any town common users require their horses outside of an authorized muster they MUST notify the RLO PRIOR to moving the horses.
- Any horses removed from the Town Common for more than one (1) month cannot be returned to the common without a new application being submitted to Council.
- All town common users must communicate with the RLO prior to travelling on the Town Common to check on their de-pastured stock.
- Any animal welfare concerns will be reported to Department of Agriculture, Forestry and Fisheries for further investigation.
- Any stock deemed to be a danger, nuisance or wild, during mustering and/or in the yards will be considered for possible removal by the RLO, in consultation with town common users.

Fees

- Council will set agistment fees as part of its annual budget process.
- Any stock on the common which do not have fees paid up to date or are not correctly registered with Council will be deemed to be straying stock and impounded in accordance with Council’s Local Law.
