- 1.3 If there is any ambiguity, inconsistency, conflict or discrepancy between any of the documents listed in clause 1.1 of this *Formal Instrument of Agreement* then the ambiguity, inconsistency, conflict or discrepancy shall be resolved by giving precedence to the document which places the highest or more

onerous requirement on the Contractor. If that does not resolve the issue, then the documents will take precedence in the order set out in clause 1.1 of this Formal Instrument of Agreement, with the Formal Instrument of Agreement being the highest in the order.

Notwithstanding anything else in this clause, where the *price schedule* or the *Contract* elsewhere contains provisions for determining the *Contractor's* entitlement to payment for an item then the *Contractor's* entitlement to payment for that item shall be determined in accordance with such provisions.

2A.2 **(Price schedule)** Quantities in a *price schedule* are estimated quantities only. The *Superintendent* is not required to give a *direction* by reason of the actual quantity of an item required to perform the *Contract* being greater or less than the quantity shown in a *price schedule*.

The *Principal* gives no warranty and makes no representation as to the completeness, accuracy or adequacy of a *price schedule*. If a *price schedule* omits an item which should have been included, the item shall be deemed to have been allowed for in other items.

2A.3 **(Lump sum contract)** This subclause 2A.3 only applies where *Item 10A* states that the *Contract* is a *lump sum contract*.

The *Principal* shall pay the *Contractor* the sum of the lump sums stated in the *price schedule*, adjusted by any additions or deductions made pursuant to the *Contract*. Where, otherwise than by reason of a *direction* to vary *WUC*, the actual quantity of an item required to perform the *Contract* is greater or less than the quantity shown in the *price schedule* the *Contractor* shall carry out that greater or lesser quantity as if it were originally stated in the *Contract* and there shall be no adjustment to the *contract sum*.

The *price schedule* may be used by the *Superintendent* as a guide in the assessment of progress claims, *variations* and other adjustments to the *contract sum* permitted by the *Contract*, but for no other purpose.'

2A.4 **(Schedule of rates contract)** This subclause 2A.4 only applies where *Item 10A* states that the *Contract* is a *schedule of rates contract*.

The *Principal* shall pay the *Contractor* the sum of the products ascertained by multiplying the measured quantity of each section or item of *work* actually carried out under the *Contract* by the rate provided in the *price schedule* for the section or item adjusted by any additions or deductions made pursuant to the *Contract*. Where, otherwise than by reason of a *direction* to vary *WUC*, the actual quantity of an item required to perform the *Contract* is greater or less than the quantity shown in a *price schedule* and:

- (l) the *price schedule* contains a lump sum for the item, the difference shall be a deemed *variation*;
 - (a) the *price schedule* contains a rate for the item, the rate shall apply to the greater or lesser quantities provided that where limits of accuracy for a quantity in a *price schedule* are stated in *Item 11*, the rate shall apply to the greater or lesser quantities within the limits, and quantities outside the limits shall be a deemed *variation*.'
- 2A.5 **(Rise and fall)** The contract *sum* is not subject to adjustment for variations in the cost of labour and materials unless, and then only to the extent that, the *Contract* expressly elsewhere provides that such an adjustment is to be made and states the formula by which that adjustment is to be calculated.
- 2A.6 **(Inclusions)** Except to the extent that the *Contract* expressly allows an adjustment, the *Contractor* warrants and represents that the *contract sum*, and all rates, sums and prices included in the *contract sum* allow for:

 - (n) the provision of all materials, plant, labour and other services necessary for the proper completion of *the Works*, whether or not those items are expressly mentioned in the *Contract*; and

- 2B.2 **(Conflict of interest)** The *Contractor* warrants and represents that as at the *date of acceptance of tender* the *Contractor* is not aware of any *conflict of interest*. The *Contractor* must not, and must ensure that its *personnel* do not, engage in any activity or obtain any interest which is likely to result in a *conflict of interest* during the *Contract* and must immediately notify the *Principal* in the event that a *conflict of interest* that has not previously been disclosed arises or is likely to arise.
- 2B.3 **(Improper Conduct)** The *Contractor* warrants and represents that neither the *Contractor* nor any of its *personnel* engaged in any *improper conduct* in connection with the *procurement process*. The *Contractor* shall not be entitled to any monetary compensation (whether for costs incurred, lost profit, lost overheads or otherwise) in connection with any *provisional work* (or any particular part or quantity of *provisional work*) which it is not directed to carry out or supply. - (a) in the form stated in *Item 13*;
- (b) in an amount no more than is necessary to ensure that the total *security* held by the *Principal* is equivalent to the percentage stated in *Item 13(b)* of the *contract sum* as adjusted at the time of the *direction*; and
- (c) provided within 10 *business days* of the *Superintendent's direction*.

- (b) the *Contractor* gives the *Superintendent* a written notice which identifies the *direction* and states that the *Contractor* considers that the *direction* is a *compensable direction* within 5 *business days* after the *direction* is given to the *Contractor*.

The *Contractor* must promptly give the *Superintendent* such additional information as the *Superintendent* reasonably requires in relation to a notice given under paragraph (b).

Subject to the *Contractor's* compliance with this clause and clause 41, if compliance with a *compensable direction* causes the *Contractor* to incur more cost than otherwise would have been incurred had the *direction* not been given, the difference shall be assessed by the *Superintendent* and added to the *contract sum*.

If compliance with any *direction* under this subclause 8.1 (including a *compensable direction*) causes the *Contractor* to incur less cost than otherwise would have been incurred had the *Contractor* not been given the *direction*, then the difference shall be assessed by the *Superintendent* and deducted from the *contract sum*.'

(ii) otherwise at law,

for the *Contractor* to carry out its obligations under the *Contract*;

(s) act consistently with, and do all things reasonably necessary to enable the *Principal* to comply with, applicable *legislative requirements*, the *third party requirements* and the *Principal's policies*;

(t) not do, or permit to be done, anything which would cause the *Principal* to be in breach of any *legislative requirements*, the *third party requirements* or the *Principal's policies*;

(u) notify the *Principal* immediately if it becomes aware of any breach of this subclause 11A.5; and

(v) when directed to do so by the *Superintendent*, provide the *Superintendent* with such information and documentation evidence as the *Superintendent* reasonably requests to satisfy the *Superintendent* that the *Contractor* has complied with this subclause 11A.5.

(w) the *Contractor's* failure to comply with this clause 11A or to satisfy a *legislative requirement* as required by subclause 11.1;

(x) any breach by the *Contractor* of its obligations under any *legislative requirement*; and/or

(y) any enforcement of obligations imposed on the *Contractor* under any *legislative requirement*,

but the indemnity will be reduced to the extent that the act or omission of the *Principal* caused or contributed to the *claim* or loss.

11A.7 (**Interpretation**) In the event of any inconsistency, ambiguity, discrepancy or conflict in or between any obligation of the *Contractor* under subclauses 11A.1 to 11A.5, the *Contractor* must promptly notify the *Superintendent* who shall direct the *Contractor* as to the interpretation to be followed. - (b) liability of either party to the extent that the party is entitled to be indemnified under a policy of insurance required to be effected under the *Contract* or would have been so entitled if this clause 15A did not form part of the *Contract*, the party had effected and maintained the insurance policy in accordance with the *Contract*, complied with its obligations under the *Contract* and the policy, lodged and diligently pursued a claim under the policy and the insurer had remained solvent; or
- (bb) liability of the *Contractor* to the extent that the *Contractor* is entitled to recover that liability from any other third party (including any subcontractor, consultant or supplier of the *Contractor*) or would have been entitled to recover that liability but for any act or omission of the *Contractor*,

- (a) the expiry of the time in *Item 22*; and
- (b) 10 *business days* after the *Contractor* has:
 - (cc) complied with subclause 19.1; and

Notwithstanding that the *Contractor* is not entitled to or has not claimed an *EOT*, the *Superintendent* may at any time and from time to time before issuing the *final certificate*, in its absolute discretion and without any obligation to do so for the benefit of the *Contractor*, direct an *EOT*. The *Contractor* shall not be entitled to any monetary compensation (whether under clause 34A or otherwise) in connection with an *EOT* granted by the *Superintendent* pursuant to this paragraph.

Nothing in this clause 34A shall oblige the *Principal* to pay extra costs for delay –

- (a) which has already been included in the value of a *variation* or any other payment under the *Contract*;
- (b) caused by inclement weather or its effects, even if that inclement weather or those effects would not have delayed the *Contractor* but for an earlier delay caused by a *compensable cause*;
- (c) to the extent that the *Contractor* has failed to take all reasonable steps to mitigate the delay or the extra costs incurred.'

36 VARIATIONS

At the end of subclause 36.1, insert:

- (c) *variation rates* (or where no applicable *variation rates* are included in the *Contract*, other applicable rates or prices in the *Contract*);
- (d) reasonable rates or prices, which shall include the percentage stated in *Item 27A* for profit, and if the *Superintendent* considers it reasonable to do so, the percentage stated in *Item 27A* for overheads,

and any deductions shall include the full value of the deducted *work* (including profit and overheads) unless the *Superintendent* considers it reasonable to exclude an amount for overheads, in which case the amount so excluded shall not exceed the percentage stated in *Item 27A* for overheads.

That price shall be added to or deducted from the *contract sum*, as the case may be.

For clarity, percentages for profit and overheads shall be calculated independently of each other, not cumulatively.

Notwithstanding anything else in this subclause 36.4 or elsewhere in the *Contract*, the *Principal* shall not be liable upon any *claim* in connection with an *informal variation direction* unless the *Contractor* gives the *Superintendent* a written notice which:

- (a) identifies the *informal variation direction*; and
- (b) states that the *Contractor* considers the *informal variation direction* is a *direction* for a *variation*, within 5 *business days* after the *informal variation direction* is first given to the *Contractor*.'

37 PAYMENT

If the *Contractor* does not make a progress claim in accordance with *Item 28*, the *Superintendent* may nevertheless issue the *progress certificate*.

Unless the *Principal* itself issues a *payment schedule* which complies with the requirements of the *security of payment legislation* within the timeframes permitted under that legislation, the *Superintendent's progress certificate* or *final certificate* (as the case may be) shall be deemed to be the *Principal's payment schedule*, and to the extent that it is necessary for the *Principal* to do so, the *Principal* authorises the *Superintendent* to receive progress claims and issue *payment schedules* on its behalf.

Subject to the following paragraph, if the *progress certificate* shows that an amount is due to the *Contractor*, then the *Principal* shall pay the amount of the *progress certificate* before the end of the *payment period*. If the *progress certificate* shows that an amount is due to the *Principal*, the *Contractor* shall pay the *Principal* the amount of the *progress certificate* within 15 *business days* after receiving the *progress certificate*.

If the *Superintendent* fails to include a *required deduction* in a *progress certificate*, then the *Principal* may nevertheless deduct that *required deduction* from the amount shown in the certificate and pay the balance (if any) to the *Contractor*.

Neither a *progress certificate* nor a payment of monies shall be evidence that the subject *WUC* has been carried out satisfactorily. Payment other than *final payment* shall be on account only.'

In the second paragraph of subclause 37.4, delete 'Within 42 days after the expiry of the last defects liability period' and insert 'Before the end of the *response period*'.

- (c) the *Principal* may, without payment of compensation to the *Contractor*, take possession of and use any documents (including design documents) and any goods which have become the property of the *Principal* and the *Principal* shall have a right of access to any premises at which those things are held in order to recover possession of those things.

39A.3 (**Payment on Termination**) The *Superintendent* shall issue a certificate evidencing, and the *Principal* shall, subject to the *Contract*, pay the *Contractor*.

- (a) the same payments that would have been payable if the *Contract* was frustrated under clause 40 with references to 'frustrated' and 'frustration' in clause 40 being read as references to 'terminated' and 'termination' respectively; plus
- (b) an additional amount equal to 5% of the balance of the *contract sum* remaining after deducting all amounts paid or payable to the *Contractor* pursuant to the *Contract* (including under subclause 39A.3(a)),

except that the total amount payable to the *Contractor* under the *Contract* shall not exceed the amount which would have been payable had the *Contract* not been terminated and the *Contractor* completed *WUC* in accordance with the *Contract*. The *Principal* shall not be liable upon any other *claim* in connection with the termination.'

Without limiting the *Principal's* other rights, where the *Contractor* fails to carry out any obligation under the *Contract* (including the obligation to comply with a *direction* of the *Superintendent*) the *Principal* may, after giving five *business days* notice (unless urgent action is required, in which case the *Principal* need not give notice) to the *Contractor*, carry out that obligation itself or have it carried out by others. If the *Principal* incurs more cost in carrying out the obligation itself, or having it carried out by others than it would have incurred if the *Contractor* had carried out the obligation then those additional costs shall be a debt due and payable by the *Contractor* to the *Principal* and shall be certified as such by the *Superintendent*. The *Principal* shall be entitled to have access to the *site* and any other place where an obligation under the *Contract* is to be carried out in order to exercise the rights provided by this clause 39B.'
