

BULLOO SHIRE COUNCIL ROAD CONDITION REPORT

Page 1

As at 24 June 2025 – 8.15am

Roads controlled within the Bulloo Shire are to the shire boundary. Please visit the Disaster Dashboard to access other information <https://dmdashboard.bulloo.qld.gov.au/>.

Our road network sustained significant damage during the March 2025 Flooding and Rain Event. We urge all road users to exercise **caution when travelling on Open roads.**

Council is currently conducting road inspections to identify necessary Emergent Works and will submit restoration and betterment funding claims to Queensland Reconstruction Authority (QRA).

You may encounter contractors performing both QRA Emergent Work and 2024 REPA restoration activities across the network. These works are essential to ensure road safety and restore full access.

We thank you for your continued patience and understanding as we work through this recovery process.
