## INTRODUCTORY INFORMATION

### Cost Recovery Fees & Commercial Charges

Local governments may fix regulatory fees by local law, or alternatively, they may set the Cost Recovery fee and the amount thereof by resolution. Cost Recovery fees, for the purposes of Section 97 of the *Local Government Act*, do not include fees where the fee is set under a specific head of power under another Act.

The *Local Government Act 2009* Section 97 states:-

A Local government may, by local law or resolution, fix a fee (a "cost recovery" fee) for any of the following;

- a) an Application for the issue or renewal of, licence, permit, registration or other approval under a local government Act (an application fee); or
- b) recording a change of ownership of land; or
- c) giving information kept under a Local Government Act; or
- d) seizing property or animals under a Local Government Act or
- e) the performance of another responsibility imposed on the local government under the *Building Act* or the *Plumbing and Drainage Act*.

*Chapter 4 Part 2 Section 97* of the *Local Government Act 2009* provides that a *Cost Recovery Fee* must not be more than the cost to the local government of providing the service or taking the action for which the fee is charged.

These are indicated by a "**CRF**" in the Fee Type column

## **Commercial Fees & Charges**

Commercial fees and charges are charges that are purely commercial in nature in that there is no compulsion for another party to accept the local government's offer. The service or facility is available elsewhere for purchase, hire etc. (these are set in accordance with Section 262(3)(c) of the local government Act 2009.

*Section 262 – Powers in support of responsibilities*

- 1) This section applies if a local government is required or empowered to perform a responsibility under a Local Government Act.*
- 2) The local government has the power to do anything that is necessary or convenient for performing the responsibilities.*
- 3) The powers include all the powers that an individual may exercise, including for example:*

*(a) power to enter into contracts; and*

*(b) power to acquire, hold, deal with and dispose of property; and*

*(c) power to charge for a service or facility, other than a service or facility for which a cost recovery fee may be fixed.*

These charges can be set at any rate that the council thinks fit having regard to the Council's Corporate Plan and Revenue Policy.

These are indicated by a **"Non-Reg"** in the Fee Type column

**GST : - The GST Status Column shows whether or not the fee or charge is:**
