

Bulloo Shire Council

## POSITION VACANT

### 1 x Civil Engineer

**2 Year Contract (Negotiable)**

**Full Time Position (76hr fortnight)**

**9.5% Superannuation**

**Successful, Respected & Community Focused Organisation**

An exciting opportunity exists to join our Organisation based in Thargomindah. With a vision to be a sustainable, innovative and diverse community, Bulloo Shire is now looking to appoint an experienced person to act as our Civil Engineer who will live and work in Thargomindah to be involved in successfully achieving Councils goals.

The successful applicant will form part of a dedicated team, committed to delivering high quality standards within Council. The primary responsibility of the position is to provide Engineering support to the CEO and Road Services Department.

A position description can be obtained from [www.bulloo.qld.gov.au](http://www.bulloo.qld.gov.au)

**All applications must address and submit the key selection criteria. On applying for the job please submit the application with a cover letter and your current CV / Resume.**

- |             |   |
|-------------|---|
| <b>KSC1</b> | Experience in design of road and street works, gravel pits, bridges, grids, water points, floodways, causeways and gas pipelines. |
| <b>KSC2</b> | Knowledge of the implementation of Quality Assurance, safety and environmental management systems.                                |
| <b>KSC3</b> | Experience in preparation of working drawings and estimates for construction and maintenance jobs.                                |
| <b>KSC4</b> | Capability in completing work and creating plans in alignment with Work Health and Safety Legislation.                            |

Council will offer the position on the basis of a contract of employment for two years (negotiable), with an attractive remuneration package.

For further information please contact Councils Corporate Services Department on (07) 4621 8000.
