ENV1.3.1 Develop and maintain preparedness and response capabilities to ensure the community is able to withstand a wide variety of disasters that may affect the region

#### **RECOMMENDATION**

That Council

1. Receive and note the report

#### **BACKGROUND**

Recent flooding across South West Queensland has caused significant disruption, particularly in Thargomindah, which has experienced major inundation and will require extensive recovery works.

To assist with the recovery, Council has engaged with the Queensland Reconstruction Authority (QRA) to determine an appropriate course of action. QRA has recommended Forge Solutions, a provider they have successfully partnered with during previous disaster events in Queensland.

Forge Solutions will be responsible for the management and coordination of recovery activities on behalf of Council. These activities will be aligned with Disaster Recovery Funding Arrangements (DRFA) certification requirements.

#### **Previous Council Resolutions related to this Matter**
