Questions and Answers

Q: We are hoping to verify what size water carts you are looking to hire for this job. Legally we can't put 32,000L on a single water truck. Can you please confirm what machine you would be looking to hire for this job?

A: Council's water cart specification as per the Tender Advertised is 32,000L Plus for 2 x watercarts. Meaning the 32,000L plus is the Capacity.
