ADDENDUM ISSUE 1

Request for Tender (RFT):	Noccundra Airstrip Fence Supply & Installation
Closing Time:	04:00 PM Wednesday, 14 January 2026
RFT Number:	T2025-2026-211

1. Additional Questions & Answers

1.1 Fencing Specifications Requirements

Initial Scope of Works for Tender T2025-2026-211 did not make it clear the intended specifications for fencing of the Noccundra Airstrip. The Principal (Bulloo Shire Council) has opted for a modified CASA Standards fencing specifications, due to the non-Aerodrome designated airspace that the Noccundra Airstrip is designated. Specifications include:

- The 6ft-high chain mesh anti-climb security fence similar to *Part 2 – Specification – T2025-2026-211: Image 1* Tender documentation,
- An approximate 3.3m spacing between posts,
- 3-strand barbed wire,
- Ground driven posts (optional costings for concrete)
- 1x Double Gate at road entry location leading from Noccundra Pub to Airstrip
