

BULLOO SHIRE COUNCIL ROAD CONDITION REPORT

Page 1

As at 16 October 2026 – 1:30pm

Roads controlled within the Bulloo Shire are to the shire boundary. Please visit the Disaster Dashboard to access other information <https://dmdashboard.bulloo.qld.gov.au/>.

Our road network sustained significant damage during the Rain Event. We urge all road users to exercise caution when travelling on Open roads.

You may encounter contractors performing both QRA Works and 2024 REPA restoration activities across the network. These works are essential to ensure road safety and restore full access.

We thank you for your continued patience and understanding as we work through this recovery process.
